Respected Sir/Madam,

Subject: Letter of Confession - Regarding Life threat

Due to the life threat, I've resigned from a company named Dhaksha Unmanned Systems Private Limited on 17 August 2021 where I worked as Engineer (Avionics) - Drone Development.

As per the offer letter, received during my joining to that organization, there's a notice period of two months which needs to be served. The task assigned to me during the notice period is to draft a research paper on the work which I've done during the eight-month of my employment.

As I've developed a few codes with my own interest in leisure time during the employment without anyone's support from that organization. Now, the organization is demanding those codes and threatening that they'll not be providing the relieving formalities.

Due to this, I'm ready to provide those codes but now, they're seeking my assistance to operate those codes to showcase as their work to the Indian Army hosted competition/tender. In order to maintain harmony and to avoid further life threats, I've accepted to travel with them.

During this travel, my father (Sabir Mohamed Mohamed Ibrahim) will be accompanying me for ensuring my safety. In case, during this travel, if some unfortunate events happen to us (My Father or Me), the complete reason for that situation is Dr K. Senthil Kumar ¹ and Ramanathan Narayanan ².

1. Dr K. Senthil Kumar - (Director - Centre For Aerospace Research) Person I'm reporting the work since the date of joining and also, he's my post-graduate (M.E. - Avionics) professor.
2. Ramanathan Narayanan - CEO, Dhaksha Unmanned Systems Private Limited.

With this letter, I assure you that all the above-mentioned complaints are true to my knowledge and I'm writing this letter with full hope on the government which will never fail to save my family (My Mother - Subaitha Begum Sabir Mohamed and My Sister - Sumaiya Sabir Mohamed) from the above-mentioned persons and from their goons.

Note: The online copy of this letter will be present at

Thank you,

Saifullah Sabir Mohamed
